Attention Travelers: Call your doctor if you are sick with...

Fever  Cough  Breathing problems

Be sure to tell your doctor if, in the past 14 days, you have been in...

- a region where the novel coronavirus (COVID-19) is spreading person-to-person OR
- close contact with someone who was there and is ill

As of February 27, 2020, the affected regions include China, Iran, Italy, Japan and South Korea.
