

Welcome to Coos County

Together, we can keep Coos County open

Coos Health & Wellness invites you to be part of the COVID-19 solution. You can help prevent the spread of this disease. Don't be another COVID-19 case.

Prior to touching anything else when entering your lodging:

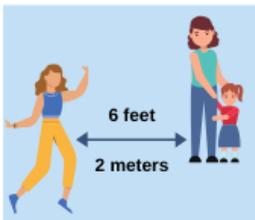

- Find the nearest sink and wash your hands with soap and warm running water for 20 seconds.
- If you cannot wash your hands, use hand sanitizer containing at least 60% alcohol.
- Using disinfectant wipes wipe down surfaces touched before you washed your hands (i.e. car key, hand rail, door & key, light switch, water faucet).
- Use disinfectant wipes to wipe off all carry-in items & luggage.

Prior to eating in your lodging or at a local eatery:

- Wash your hands before doing food prep.
- Wash your hands immediately prior to eating.
- Ask your restaurant host if your chair and table have been disinfected since last occupied.

When you return to your vehicle:

- Use a disinfectant wipe on hard surfaces where your hands touch inside your car.

When in Public:

Practice 6 foot
physical distancing

Wear a cloth or
paper mask

Don't Touch Your
Face

Wash your hands
& use a paper
towel to turn off
the water faucet &
another paper
towel to
dry your hands &
to open the door.

If you become ill, please stay in your lodging. Call a medical provider for advice if you are experiencing COVID-19 symptoms such as coughing or difficulty in breathing; or if you newly acquire at least 2 of these symptoms: fever, chills, repeated shaking with chills, muscle pain, headache, sore throat or loss of taste/smell.

541-266-1650 is the *Community COVID-19 line*, *Bay Area Hospital in Coos Bay* (541-269-8111), *Coquille Valley Hospital* (541-396-3101), *North Bend Medical Center Immediate Care* (541-266-1789) or *Southern Coos Hospital in Bandon* (541-347-2426).

COVID-19 is contracted when the virus gets into your mouth, nose or eyes. It gets into your face from others sneezing & coughing or when your own dirty hands go to your face or touch food you will eat.
