It is up to us, as a community, to be the best public health stewards we can be. We are asking that you follow the guidelines such as social distancing, wearing a face covering in public and using good hand hygiene to help keep our case counts low enough that we can get our schools re-opened for the benefit of our children. If you have any questions regarding COVID-19, please visit our website [HERE](#) for the most recent guidance, or email us at covid19.questions@chw.coos.or.us.
