Por favor vea la lista abajo para ver la disponibilidad de citas en diferentes enlaces en línea. Manténgase actualizado sobre otras oportunidades a través de nuestras redes sociales, ya que las actualizamos ni bien nos llega nueva información sobre eventos de la vacunación.

Con efecto inmediato, el condado de Coos ahora está disponible para administrar vacunas a cualquier persona en la Fase 1B, grupo 7 de la Autoridad de Salud de Oregon. Puedes revisar la lista completa [AQUI](#)

En el condado de Coos, aproximadamente el 60% de los adultos mayores de 65 años ya han recibido al menos la 1era dosis de la vacuna. Aproximadamente el 35% de la población adulta total en el condado de Coos han recibido al menos una dosis de vacuna según los datos de hoy.
