FOR IMMEDIATE RELEASE

Coos County is now open to administer vaccines to anyone from Phase 1a through Phase 1B, group 7. You can review the complete list of those eligible [Here](#).

Coos County vaccine administration is moving quickly due to the partnership of many area agencies. Bay Area Hospital, Bay City Ambulance, Bay Clinic, Coast Community Health, Coos Bay Fire Department, Coos Health & Wellness, Coquille Valley Hospital, North Bend Medical Center, Nova Urgent Care, Southern Coos Hospital, and Waterfall Health Clinic. Providers may list vaccine appointment sign up information on their social media or website but not everyone will have open appointments available at this time.

Many pharmacies also have vaccine including BiMart, Broadway Pharmacy, Fred Meyer, Rite Aid, Safeway, Walmart, and Walgreens. Most pharmacies are scheduling through their websites.

Please see a list below for some current appointment links. Keep current on other opportunities through our Social Media as we do share information on vaccine events when it becomes available.

We are currently unable to share numbers of vaccines administered in Coos County as the site has been down since last week's numbers were reported.

We will be moving away from maintaining the pre-registration list to notify you of events that you qualify for and will move to a more open approach to making appointments. If you are on the list and have not yet received a vaccine, you will still receive information to assist you in making an appointment for future events.

PARA PUBLICACIÓN INMEDIATA

La administración de vacunas del condado de Coos avanza rápidamente debido a la asociación de muchas agencias del área. Bay Area Hospital, Bay City Ambulance, Bay Clinic, Coast Community Health, Coos Bay Fire Department, Coos Health & Wellness, Coquille Valley Hospital, North Bend Medical Center, Nova Urgent Care, Southern Coos Hospital y Waterfall Health Clinic. Los proveedores pueden incluir la información de registro de citas de vacunas en sus redes sociales o página web, pero no todos tendrán citas disponibles en este momento.

Muchas farmacias también ya tienen la vacuna, incluyendo BiMart, Broadway Pharmacy, Fred Meyer, Safeway, Rite Aid, Walmart y Walgreens. La mayoría de las farmacias tienen la opción de hacer su cita a través de sus páginas web.

Por favor vea la lista abajo para ver la disponibilidad de citas en diferentes enlaces en línea. Manténgase actualizado sobre otras oportunidades a través de nuestras redes sociales, ya que las actualizamos ni bien nos llega nueva información sobre eventos de la vacunación.

Con efecto inmediato, el condado de Coos ahora está disponible para administrar vacunas a cualquier persona en la Fase 1B, grupo 7 de la Autoridad de Salud de Oregon. Puedes revisar la lista completa [AQUI](#)

Dejaremos de mantener la lista de preinscripciones para notificarle los eventos a los que califican y nos enfocaremos más en hacer citas. Si usted está en la lista y aún no ha recibido una vacuna, no se preocupe que sí recibirá información para ayudarlo a programar una cita para los eventos futuros.
