FOR IMMEDIATE RELEASE

Public Health Advisory

Coos Health & Wellness Public Health Division is issuing a public health advisory due to the increased community spread of COVID-19 cases in Coos County. Currently there are 237 known active cases in our communities. For the health of our community, the following recommendation go into effect immediately.

- Strongly encourage business/venues to implement indoor masking policies and social distancing
- Encourage food establishments to reduce indoor capacity to 50% of normal operations
- Outdoor events of larger than 50 to encourage masking and social distancing
- Postpone any indoor events larger than 50 attendees
- After travel by air or cruise ship, quarantine / isolate for three days upon returning or seek testing
- If symptomatic, stay home from work and get tested
- Encourage vaccination at any local pharmacy or health clinic

This advisory remains in effect until the known active cases drops below 120.
