## COOS COUNTY 2021

# WHICH FREE IN-HOME PARENT SUPPORT PROGRAM IS RIGHT FOR MY FAMILY?

### BABIES FIRST!

Babies First! is a program for parents of young children, from **prenatal through 4 years** of age. Public health nurses and certified parent educators visit your family in the comfort of your own home to discuss any questions and concerns you have about your child. The educator will check your child's growth and progress and explore ways that you can use play to help your child develop on schedule. Call **541-266-6726** for enrollment information.

### CACOON

CaCoon is a program to support families who have children with **special health and/or developmental needs, birth through 20 years** of age. Your public health nurse can help you locate, connect with, and coordinate needed resources and services to better meet you and your child's needs, while also monitoring your child's growth and development, and suggesting ways to help you with your child's developing needs. Call **541-266-6726** for enrollment information.

### SOUTH COAST HEAD START / EARLY HEAD START (EHS)

A variety of EHS services are available throughout **Curry, Coos & Coastal Douglas Counties** to **expecting families and children up to age 3**. Through in-home services, you receive weekly visits to support you as your child's primary teacher. Playgroups are offered twice a month for family and baby/child. Children may **transition to Head Start preschool services at age 3**.

Application information can be found by calling their office at **541-888-3717**, on-line at **www.orcca.us/head-start** or on Facebook at **www.facebook.com/southcoastheadstart**

Hear what a family had to say about their experience participating in Local Home Visiting Programs:

**"I'm stronger minded. I have better ideas to be the best mom I can be and I've learned a lot of fun new activities to teach my kids."**

~Parent Participating in a Local Home Visiting Program

### EARLY INTERVENTION / EARLY CHILDHOOD SPECIAL EDUCATION

The South Coast ESD EI/ECSE Program provides screening, assessment and special education services in **Coos, Curry & Western Douglas Counties** to children from **birth to kindergarten** age that demonstrate a significant developmental delay or disability in one or more areas of development (eg. communication, cognitive, motor).

There is **no cost** for EI/ECSE services to families. Contact **541-266-3915** to start your referral.

### FAMILY SUPPORT & CONNECTIONS

FS&C visits are designed to strengthen families and support effective parenting to **families on TANF in Coos & Curry Counties, with children birth through 18 years of age in the home**. This family designed program focuses on keeping families together and helping you achieve your individual & family goals.

Call **541-435-7080 x248** for more information.
